

The image block contains four photographs of the Sunlive building. From left to right: 1. A close-up of the modern, multi-story facade with dark blue and light grey panels and large windows. 2. The entrance area featuring a blue door and a white roller shutter door. 3. A narrow alleyway between the building and an adjacent structure, showing a paved ground and utility poles. 4. A wide shot of the building's exterior, showing the 'Sunlive' signage and a parking lot with several cars.
